* Per IRS guidelines, previous scholarship recipients are eligible to apply even though their parent or guardian may no longer be employed by an HCA Healthcare affiliate.

** "Not-for-profit" status will be confirmed using the National Center for Education Statistics' [College Navigator](#) tool. What are my responsibilities if I am chosen as a recipient?

You must enroll as a full-time undergraduate student in the fall of the year in which the scholarships are awarded. You must continue the entire academic year without interruption unless approved by the scholarship sponsor. You are responsible for delivering your scholarship check(s) to the proper office at your institution with its attached instructions. You should notify ISTS should your check not arrive within 30 days of the issue date.

How and when are funds issued?

Your funds will be issued via check in early August. Your check will be made payable to the institution listed on your **My Profile** page only. *Your scholarship check cannot be made payable to you, the applicant.* The check will be mailed to your home address so that you may deliver it to the correct office at your institution. You will receive an email notification once your funds have been issued.

How do I change my college choice?

Make sure your **My Profile** page indicates your final college choice. It is your responsibility to make sure your **My Profile** page is correct at least 30 days prior to the check issue date listed above. If your scholarship check needs to be reissued for any reason, a reissue fee may apply.

Application Details

Which school should I list on the application if I have not made a final decision?

You should list your first-choice school on the application. You can change your college choice any time prior to the application deadline. If selected as a recipient, you will be asked to confirm your final school choice. If your school changes after the acceptance deadline, you will be able to update this information on your **My Profile** page.

My parent's/guardian's employment makes me eligible for this scholarship. Whose contact information should I include?

You, the applicant, must register for an account with a personal email address. *Do not use a parent's/guardian's work email address.* Your **My Profile** page should reflect your legal name and contact information. Any required information related to your parent/guardian is specifically asked for on the application.

What are the differences between Official and Unofficial Transcripts?

Official transcripts must be obtained through your high school administration office, or your college registrar office. Transcripts are normally printed on official letterhead and/or state that they are official. Transcripts may contain or require a signature.

*Note: Your official transcript may come to you in a sealed envelope, stating it will become unofficial if opened. When scanning or copying your official transcripts, a watermark may appear noting that they are now unofficial. **Despite any watermarks or sealed envelopes, you may open the envelope if needed to upload the document. These documents will be considered official for our purposes.** Acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. When scanning or copying, you do not need to include a copy of the sealed envelope.*

Unofficial transcripts may be accessed through your school's online student portal. These pages must still be converted to one of the acceptable file formats. **Unofficial transcripts must contain your name.**

What supporting documentation is required for this application?

- High School Transcript (*current high school seniors and college freshmen*)
- ACT/SAT Scores (*optional for current high school seniors and college freshmen*)
- College/University Transcript (*current college sophomores, juniors & seniors*)
- FAFSA Submission Summary (*only required if applicant opts-in for financial consideration*)

Where and when should I send my supporting documents?

All required supporting documents must be uploaded to your online application by the application deadline. If you do not follow the upload instructions exactly, your application may remain incomplete. Documents that meet the criteria required for this application that are uploaded by the deadline will be processed and considered on time.

Notifications

How will I be notified about the status of my application?

Notifications are sent primarily via email to the email you used to create your account. Some programs offer text and voice notifications. **Ultimately, it is your responsibility as the applicant to verify your application status on your Home page is Complete.**

What notifications will be sent to me?

- **Deadline Reminders:** Deadline reminder emails typically begin 30-45 days prior to the application deadline.
- **Selection Results:** Selection results notifications are sent to all **Complete** applicants.
- **Funds Disbursed:** Once your funds have been issued, you will be notified.

Your information is never sold to any third party for marketing purposes.

Who will notifications be sent from?

You will receive notifications from two possible ISTS email addresses: donotreply@applyISTS.com and ContactUs@applyISTS.com. You should add both email addresses to your “safe senders list” to ensure important emails are not sent to your spam or junk folder.

When will I receive notifications?

Notifications vary by program based on the Program timeline. Refer to the Program timeline listed above for more specific information.

Can I opt out of notifications?

While you can opt out of notifications, this is not advised. It is your responsibility as the applicant to ensure your application is **Complete**. If you opt out of notifications, you will not receive deadline reminders and selection results. **Your information is never sold to any third party.** The only emails you will receive from ISTS are directly related to your application.

Document Upload

What should be visible on my documents?

All uploaded documents **must** show your name. If you are using an online portal to access your required documentation and all that is visible is the salutation and your first name (Example: Welcome Joe!), this will meet the name requirement.

What are the acceptable file types?

The only acceptable file types are **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Any other formats will not be reviewed, and your application will remain incomplete. You may upload multiple files within a .zip file. All files within a .zip file must be in one of the acceptable file types listed above.

Why can't I upload a Word document?

ISTS does not accept any file format that is editable.

One of the documents I uploaded has a status of Rejected. What do I do now?

Review the reason your document was rejected. Once you have corrected that issue, upload a new copy of your document.

How do I upload more than one file at a time?

You may create a .zip file containing more than one file as long as everything included is in an acceptable file type of **.pdf, .tif, .png, .jpeg, .jpg, .bmp and .xps**. Do not upload additional documentation that is not requested. It will not be reviewed.
